JUST THE RIGHT SIZE!

Our NEW Addition!

The focus of our COMMERCIAL AND TRADE APPLIANCE range is on Kitchen Appliances, Laundry, Air Conditioning, Sinks and Taps all supplied through our BI-RITE electrical store located at Nambour. Take advantage of our Commercial Pricing for your business and your clients so you can pay less for top brand appliances. Our appliance team specialises in dealing with Builders, Kitchen Manufacturers, Designers, Developers, Appliance Service Organizations, Insurance Companies, MelcoLanhams Account Holders and their nominated clients. We have a close commercial association with several major brands, offering an extensive choice of products. It is through these key suppliers that we are price competitive and we can guarantee you will pay less. At our Nambour Mitre 10 Home & Trade store we offer the latest displays of our top selling brands in quality kitchen settings. In many cases we present appliance options to the end user on behalf of our client to assist in their selection process.

With all of this in mind, we have introduced another vehicle to our fleet; a Renault Master Van! The van will predominantly be used for Plumbing & Appliance deliveries ensuring a quicker turnaround for you. The Renault has a payload of up to 1598kg, the space to carry 2 pallets and can also fit a standard height fridge so its larger enough for any project!

Whatever your needs, let us quote your next project whether it be small or large.

WELCOME TO THE NEIGHBOURHOOD

We would like to take this opportunity to welcome Adam Shelly, the new Westpac Bank Manager at Chancellor Park to our local Community. Adam was previously based at the Nambour Westpac Bank and has personally assisted a number of our staff with their banking & financial planning needs. We wish him the best of luck in his new role!
