MELCOLANHAMS NOW IN KINGAROY!

We are pleased to announce that MelcoLanham's is currently in the process of acquiring the Mitre 10 business in Kingaroy. Turners Mitre 10 in Kingaroy is a long standing very successful member of the Mitre 10 family and has a substantial Retail & Trade offer. The main store in Rogers Street is approx. 3900m2 in size and aside from their significant Trade & Retail business, also has a vibrant Nursery business and cafeteria. Settlement on this business is expected at the end of August so our administration team will be very busy in the coming weeks doing all of the work required to integrate the business into our network of stores.

Tony Lucas (General Manager Kingaroy Mitre 10) and Neil Hogan (Assistant Manager) recently attended our MelcoLanham's Trade night as our guests and are looking forward to working with our team.

This is a very exciting development for MelcoLanham's and will only further strengthen our existing distribution network. More information will be provided in the coming weeks but we wanted to advise our customers as soon as possible about the pending addition to our business.
